CALLING ALL V AND RETI

The Estate and Elder Planning

Every week thousands of retirees discover many of the Long Term Care Nursing home of Long Term Care facility expenses. Many spend thousands of dollars often losing their estate. A professional presentation provides solutions and alternative life savings and preserve your children's inheritance.

Most retirees are not aware of new laws that have been passed.

The government will not protect you of these options nor will they.

It is your responsibility to find out.

This is a FREE and highly informative presentation.

Friday, November 4, 2011

Guest Speaker: Tim V

This is some of what will be discussed:

- How to protect your life savings from long term care without purchasing expensive insurance.
- How to avoid government lien seizure on your home if you run out of money in a nursing home.
- Learn how veterans and their spouses can get up to \$1,949 every month to pay for Long Term Care Assisted Living, Nursing Home and Medical Expenses.
- Retirees' mistakes, and how to protect your estate and how to protect your estate.
- Learn why your legal documents (Trust Agreements, POA's) may not give you and your family the results you thought. Not knowing what your attorney's make could be financially devastating.

Attendees receive a free copy of "How the New Healthcare Reform Will Affect You."
